Subject: Great Basin Dispatch Steering Committee Request for Nominations

The Great Basin Coordinating Group is soliciting for nominations for the Dispatch Steering Committee from the Geographic Zones (Nevada, Utah and Idaho). Each Geographic Zone in the Great Basin is asked to provide and maintain two or more representatives (dispatchers) for membership on this committee. The Committee shall also include representatives from both Eastern and Western Great Basin Coordination Centers and a representative from the Great Basin Fire Cache. The Great Basin Coordinating Group will assign a Liaison to the committee.

The membership selection process will strive to have equal representation from each Geographic Zone. Individuals interested in membership will submit a nomination to the appropriate Coordination Center through their supervisor. The Coordination Centers will compile all nominations and submit them to the GBCG. The GBCG will review nominations and make recommendations for approval. Desired committee size is 8 to 10 members. Once established, the Steering Committee will elect a Chair and co-Chair and may appoint one or more ad hoc advisors the Committee for assistance with special issues or tasks. Nominations are due to October 12.

A copy of the Charter is attached along with a DSC Nomination Form. If you have any questions, please contact Dave Hart or Nelda St. Clair.
